

## **Frequently Asked Questions**

### **Deer Hollow Farm School Year Registration 2012-13**

#### **LOTTERY**

##### **Why is registration based on a lottery system?**

Deer Hollow Farm is funded primarily by the City of Mountain View, the Midpeninsula Regional Open Space District (MROSD) and Santa Clara County. Part of the agreement between these three agencies includes giving Mountain View schools priority registration, followed by schools within both Santa Clara County and MROSD, then schools within either the County or MROSD, and then all others.

##### **How does the lottery work?**

Farm staff will hold a private lottery during the week of September 10, 2012. One-third of all available openings are reserved for schools located in Mountain View (Priority 1), one-third for schools located in both Santa Clara County and the MROSD (Priority 2) and one-third for schools located in either the County or the District (Priority 3). Registration forms that are not selected during each stage of the lottery will be mixed with the following Priority group. We will do our best to accommodate all of the requests, but if the schedule is filled you will be placed on a waitlist.

##### **How many students can I register on each form?**

If multiple classes from the same school, totaling 70 students or less, are signing up on the same day for the same class—only one form is needed. If you are planning to register more than 70 students please complete an additional form with another Teacher's information.

#### **CLASS CONFIRMATION**

##### **When will I receive confirmation that my class is registered?**

Class contracts will be in the mail by **Friday, September 21, 2012**. You will be notified by Farm staff during the week of September 10, 2012 if your class has been placed on a waitlist.

#### **SCHOOL YEAR CALENDAR**

##### **When are classes offered?**

Please refer to the **2012-13 Deer Hollow Farm School Year Calendar**. Classes are offered every Tuesday, Wednesday and Thursday from September 25, 2012 through May 23, 2013. There are no classes December 18 through December 27. **Please note your school holidays, minimum and testing days** when selecting your 10 preferred dates.

##### **Why are 'Farm', 'Ohlone', and 'Life Sciences' included on the School Year Calendar?**

The type of class that will be offered each day has been pre-set on the school year calendar. To register for a *Farm & Garden* or a *Fleece & Milk* class, please select a date that has **Farm** noted on it. For an *Ohlone Habitat* or an *Ohlone Village* class, please select a date that has **Ohlone** noted on it. For a *Life Sciences Hike* class, choose a **Life Sciences** date.

##### **Can any of my 10 preferred dates be on a Monday or Friday? Can the type of class offered each day be changed?**

Please do not select a Monday or Friday date, your registration form will be considered incomplete and therefore invalid. Adjustments to the type of classes offered each day will only be made if your class is placed on the waitlist. Your form will be considered incomplete, and therefore invalid, if you choose dates with a type of class (Farm, Ohlone, Life Sciences) that does not match your class age group.
